NOTES:

1. The above results were reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 29th June 2020.

2. This statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standard) Rules 2015 and Companies (Indian Accounting Standard) (Amendment) Rules, 2016.

3. The figures for the quarter ended 31.03.2020 and 31.03.2019 are the balancing figures between audited figures in respect of the full financial year and those published till the third quarter of the respective financial year.

4. The above results have been audited by statutory auditors, and they have issued unmodified opinion on above audited results.

5. The company is engaged in the made ups of textile business, therefore, there is only one reportable segment in accordance with the Accounting Standards on Segment Reporting (Ind AS 108).

6. The made ups of textiles (blankets etc.) business is seasonal in nature and accordingly financial results for the quarter are not representative of the whole year.

7. Previous year/ quarter figures have been regrouped wherever required.

8. World Health Organisation (WHO) declared outbreak of Coronavirus Disease (COVID-19) a global pandemic on March 11, 2020. Consequent to this, Government of India declared lockdown on March 23, 2020 and the Company temporarily suspended the operations in all the units of the Company in compliance with the lockdown instructions issued by the Central and State Governments. COVID-19 has impacted the normal business operations of the Company by way of interruption in production, supply chain disruption, unavailability of personnel, closure/lock down of production facilities etc. during the lock-down period which has been extended till May 17, 2020, although the company has started its activities from 6th May, 2020 with the permission of Local Authorities on a very nominal basis. The Company has made detailed assessment of its liquidity position for the next year and the recoverability and carrying value of its assets comprising property, plant and equipment, investments, inventory and trade receivables. Based on current indicators of future economic conditions, the Company expects to recover the carrying amount of these assets. The situation is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future impact of the COVID-19 which may be different from that estimated as at the date of approval of this standalone financial result. The Company will continue to closely monitor any material changes arising of future economic conditions and impact on its business.

9. There is an exceptional income as shown at point no. 7 above accrued on account of acquisition of land and building by the Government of India under National Highways Act 1956. Accordingly the profit and EPS for the year ended 31st March, 2020 do not reflect the true figures. However, such acquisition by the government does not adversely affect production activities of the company.

In our opinion and to the best of our information and according to the explanations given to us, these standalone financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and

Management's Responsibilities for the Standalone Financial Results

This statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared on the basis of the quarterly and annual standalone financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

Attention is drawn to the fact that the figures for the quarter ended March 31, 2020 as reported in the Statement are the balancing figures in respect of the year ended March 31, 2020 and published year to date figures up to the end of the third quarter of the relevant financial year. The figures up to the end of the third quarter are only reviewed and not subjected to audit.

Our opinion on the Statement is not modified in respect of these matters.
